North Richland Hills Library Events

March 2020

Update to Email Notices

To make your life easier, we've updated how the Library will notify you about your checked out items. The Library will no longer send notices of a successful automatic renewal or a three day reminder of items due. Instead, the Library will only alert you of a problem with your checkouts (your item cannot be renewed). If you receive your notices by e-mail or SMS text message, we will notify you on the due date if an item cannot be renewed and must be returned. We understand you might not be able to make it to the library that day, so thankfully the library has a 1-day grace period on all checkouts!

Introducing Make•Its!

Make•Its are fun, hands-on experiences for the whole family that promote STEAM (Science, Technology, Engineering, Arts and Math) education. Our kits are a great way to experiment with a new hobby without having to buy supplies or to simply enjoy a new family activity on a rainy day.

Our kits come in a variety of topics like astronomy, crochet, calligraphy, robotics, and more!

When checking out a Make•Its kit, please keep in mind that parental supervision is advised at all times, and kits may only be checked out to patrons ages 18+.

To learn more, please visit library.nrhtx.com/Make-Its

Spring Break Crafts & Activities for Children

Stop by the Children's area March 9-12 between 3:30-5:30 for fun activities! Monday and Wednesday is Create It with Legos, and on Tuesday and Thursday children can create a simple craft to take home with them once they're finished! Suggested for ages three and up.

Free Asset Planning Workshops

We've partnered with the elder law experts at McGee Law Firm to bring you two classes that will cover asset planning, living wills, power of attorney, and more. These workshops are free, but registration is required.

Celebrate Women's History

This month we're highlighting accomplishments of women throughout history in celebration of Women's History

Month. From rock-and-roll trailblazers to pioneers of science, these ladies have achieved some pretty amazing things!

You can find the books on display on the first floor of the Library, or browse the selection online, at: bit.ly/NRHLibrary-OnDisplay
