North Richland Hills Library Events

February 2020

NRH Library Receives Award of Excellence for 5th Year

We are excited to share that your Library has received the 2019 Achievement of Library Excellence Award from the Texas Municipal Library Director's Association (TMLDA) for the FIFTH consecutive year!

Of the 571 public libraries in Texas, the NRH Library is one of only 53 to receive the award. This places the North Richland Hills Library in the top 10% of libraries in the state in terms of excellence of services, programs, marketing, and staff training during the 2019 calendar year.

Make-it/Take-it Valentine's Day Craft

Wednesday, February 12
4-5:30 p.m. • Children's Area

Stop by the Children's area to make a Valentine's Day card or a tissue paper cutout heart to take home with you. Suggested for ages three and up. One craft per child; supplies are provided.

Computer Master Classes

Our tech-savvy librarians will walk you through a variety of tools in these small group classes. Classes require basic computer skills.

Love Your Library with Amazon Smile

This Valentine's Day season, consider sharing some love to the Friends of the NRH Library while shopping on Amazon. The Friends of the NRH Library are a registered charity with the Amazon Smile program. By participating in this program and selecting "Friends of the North Richland Hills Library," Amazon will contribute a share of sales to the Friends. It's a great way to further support the NRH Library!

Visit smile.amazon.com today to get started!

Celebrate Black Authors & Culture

We've selected books from multiple genres that are written by African American authors, as well as books that celebrate African history and culture. This Black History Month we invite you to celebrate with us by checking out one of the books from our selection.

You can find the books on display on the first floor of the Library, or browse the selection online, at: bit.ly/NRHLibrary-OnDisplay

TinkerCAD Basics: Design a Valentine Box

Friday, February 7 • 3:30 p.m.

Learn how to model a basic Valentine's Day gift box as an introduction to the basics of modeling in TinkerCAD, a free, easy-to-use app for 3D design.

TinkerCAD is beginner-friendly, and a great introduction to working in Autodesk modeling software. **This class is open to those 10 years of age and older. Children ages 10-13 must have a parent attend class with them.**

Space is limited; registration required. To reserve your spot, please visit <http://bit.ly/Tinker2-7>.
